

# SUNRISE VALLEY LIBRARY PRESENTS...

## COMIC CON!

### WHY:

To promote literacy and celebrate student learning of plot structure, archetypal characters, and the ways in which images communicate information.

### WHAT:

Students have the option to enter the comics they have been working on at school in the SVES Comic Con in the library. Families are invited to celebrate their students' learning.

- Students may dress in their best cosplay costume to the evening event. No weapons of any kind are allowed.
- Sixth grade students will display a slideshow they created about the history of comics and their impact on societal change.
- Third grade students will demonstrate robots they coded.

### HOW-GRADES K-2:

- Grades K-2 are drawing their comics by hand. Extra blank comic strips can be found on the library Schoology page.
- Parents should feel free to help with speech bubbles as needed.

### WHO:

Sunrise Valley students in grades K-6.

### WHEN:

**April 9th from 6-7 p.m.**

Comic book submissions due not later than **April 4th.**

### HOW- GRADES 3-6:

- Grades 3-6 are using a software called Pixton to create their comics.
- To log into Pixton at home, make sure to use a Google browser and students should log into the browser using their school accounts.
  - student#@fcpspschools.net  
(ex. [1234567@fcpspschools.net](mailto:1234567@fcpspschools.net))
  - Normal password used at school
- Log into Schoology> Library Page> Grade Level Folder> Teacher Folder to find the link for your class
